SCHEDULE OF INSURANCE

Final interpretation of all provisions and coverages will be governed by the Group Insurance Policy on file with Hartford Life at its home office.

The Policyholder: MARIN COMMUNITY COLLEGE DISTRICT DBA COLLEGE OF MARIN

The Policy Number: GL-875740

Policy Effective Date: March 1, 2015

THE BENEFITS DESCRIBED HEREIN ARE THOSE IN EFFECT AS OF OCTOBER 1, 2015

Anniversary Date: October 1 of each year, beginning in 2017.

Who is eligible for coverage?

Eligible Class(es): All Active Full-time Employees who are U.S. citizens or U.S. residents, excluding President(s), temporary and seasonal employees

When will You become eligible? (Eligibility Waiting Period)

If You are working for the Employer prior to the Policy Effective Date and were covered under the Prior Plan, You are eligible for coverage on the later of the Policy Effective Date or the date You enter an eligible class.

If You start working for the Employer after the Policy Effective Date, You will be eligible for coverage on the first day of the month following the date on which You complete a waiting period of 90 days of continuous service.

The waiting period will be reduced by the period of time You were an Active Full-time Employee with the Employer under the Prior Plan.

What is Evidence of Good Health?

Evidence of Good Health is information about a person's health from which We can determine if coverage or increases in coverage will be effective. Information may include questionnaires, physical exams, or written documentation as required by Us.

Inquiries as to the status of Your submission of Evidence of Good Health should be addressed to Your Employer and/or Benefit Administrator. We, Your Employer and/or Benefit Administrator will notify You of approvals. We will notify You, in writing, of any disapprovals.

When will Evidence of Good Health be required?

Evidence of Good Health is required if You elect no coverage when eligible to do so and later opt for coverage for any Amount of Life Insurance for Yourself.

Evidence of Good Health must be provided at Your own expense.

If Evidence of Good Health is not approved in the situation(s) described above, no coverage will become effective.

**AMOUNT OF LIFE INSURANCE
Employee Only**

What Life benefits are available to You?

Amount of Life Insurance:

An amount equal to \$50,000.

Your Amount of Life Insurance will be reduced by any life benefit:

1. paid to You under an accelerated death benefit in the Prior Plan; and
2. in force for You under any disability extension provision of the Prior Plan.

If You convert, does it affect the Amount of Life Insurance benefit payable?

The Amount of Life Insurance under the Policy will be reduced by the amount of the individual life insurance issued in accordance with the Conversion Privilege for reasons other than reductions in coverage.

**ACCIDENTAL DEATH, DISMEMBERMENT
AND LOSS OF SIGHT BENEFIT (AD&D)
Employee Only**

What AD&D Benefits are available to You?

Principal Sum:

An amount which equals the Amount of Life Insurance in force for You.

The Principal Sum will not exceed the Amount of Life Insurance for which You are insured.

REDUCED AMOUNTS OF INSURANCE

What reductions in Your coverage will occur due to Your age?

Your Amount of Life Insurance and Principal Sum will decrease by 35% on the Anniversary Date which occurs on or next follows the date You attain age 65 and by 50% when You attain age 70. The reduction will apply to the Amount of Life Insurance and Principal Sum in force immediately prior to the first reduction made.

Additionally, if:

1. You become insured under the Policy; or
2. Your coverage increases,

on or after the date You attain age 65, We reduce the amount of coverage for which You would otherwise be eligible in the same manner.

Reduced amounts of Life Insurance and Principal Sum will be rounded to the next higher multiple of \$500, if not already such a multiple.

ELIGIBILITY AND ENROLLMENT

Must You contribute toward the cost of coverage?

With respect to Life Insurance and AD&D coverage, You do not contribute toward the cost.

How do You request coverage for Yourself?

If You are not required to contribute toward the cost of coverage, You are not required to request coverage. Enrollment will be automatic. However You will be required to complete a beneficiary election form.

When does coverage start?

If You are not required to contribute toward the cost of coverage, You will become insured on the date You become eligible for coverage.

All effective dates of coverage are subject to the Deferred Effective Date provision.

What is the Deferred Effective Date provision for employees?

If You are absent from work due to a physical or mental condition on the date Your insurance, an increase in coverage or a new benefit added to the Policy would otherwise have become effective, the effective date of Your insurance, any increase in insurance or the additional benefit will be deferred until the date You return to work as an Active Full-time Employee.

Are there exceptions to the Deferred Effective Date provision?

If You were insured under the Prior Plan on the day before the Policy Effective Date and You would be eligible for coverage on the Policy Effective Date except that You are not able to meet the requirements of the Deferred Effective Date provision, then:

1. the Deferred Effective Date provision will not apply to the original effective date of coverage; and
2. the coverage amount shown in the Schedule of Insurance will not apply to You.

Instead, You will be considered to be insured and Your coverage amount will be the lesser of:

1. the Amount of Life Insurance and Principal Sum under the Prior Plan; or
2. the Amount of Life Insurance and Principal Sum shown in the Schedule of Insurance,

reduced by:

1. any coverage amount in force or otherwise payable due to any disability benefit extension under the Prior Plan; or
2. any coverage amount that would have been in force due to any disability benefit extension under the Prior Plan had timely election for the disability provision been made.

You will remain insured under this provision until the first to occur of:

1. the date You return to work as an Active Full-time Employee;
2. the date Your insurance terminates for a reason stated under the Termination provision;
3. the last day of a period of 12 consecutive months which begins on the Policy Effective Date; or
4. the last day You would have been covered under the Prior Plan, had the Prior Plan not terminated.

When are changes effective?

The provisions, terms and conditions of the Schedule of Insurance or this Booklet-certificate may be modified, amended or changed at any time; consent from any covered individual is not required.

If there is any type of change in Your class, the Schedule of Insurance or the Booklet-certificate which:

1. decreases an amount of coverage or deletes, limits or restricts the availability of a benefit or provision, then that decrease, deletion, limitation or restriction will be effective on the date the change in class, the Schedule of Insurance or the Booklet-certificate is effective;
2. increases an amount of coverage or adds, improves or increases availability of a benefit or provision, then that increase, addition or improvement will be effective on the date the change in class, the Schedule of Insurance or the Booklet-certificate is effective, subject to application of the Deferred Effective Date provision and Our approval where Evidence of Good Health is required.

BENEFITS

Life Insurance Benefit

To whom and how are benefits paid?

A completed claim form, a certified copy of the death certificate and Your enrollment form must be sent to the Employer or Us. When the required claim papers are received and approved by Us, the Amount of Life Insurance will be paid.

Your death benefit will be paid in a lump sum to the beneficiary(ies) designated by You in writing and on file with the Employer.

Unless You have requested something different, payment will be made as follows:

1. If more than one beneficiary is named, each will be paid an equal share.
2. If any named beneficiary dies before You, His share will be divided equally among the named surviving beneficiaries.

If no beneficiary is named, or if no named beneficiary survives You, We may, at Our option, pay:

1. up to \$500 of Your life insurance to any party that We deem is entitled because of their payment of burial expenses. We will be released from further liability for any amount so paid; and/or
2. the executors or administrators of Your estate; or
3. Your surviving relatives in the following order:
 - a) all to Your surviving spouse; or
 - b) if Your spouse does not survive You, in equal shares to Your surviving children; or
 - c) if no child survives You, in equal shares to Your surviving parents.

If a minor does not have a legal guardian, We may, until such a guardian is appointed, pay the person We deem to be caring for and supporting him. Such payment will be in monthly installments of not more than \$200.

Accelerated Death Benefit

What is the benefit?

If You are diagnosed as being Terminally Ill and proof of such diagnosis is provided by an attending physician licensed to practice in the United States, and You are:

1. less than age 60; and
2. insured for at least \$10,000,

then You may request that a portion of Your Amount of Life Insurance be paid to You prior to death.

The request cannot exceed 80% of the in force Amount of Life Insurance, and is subject to a minimum of \$3,000 and a maximum of \$500,000. You may exercise this option only once per person.

For example, if You have an Amount of Life Insurance equal to \$20,000 and You are Terminally Ill, You can request any portion of the life insurance between \$3,000 to \$16,000 to be paid to You now instead of to Your beneficiary at Your death. However, if You decide to request only \$3,000 now, You cannot request the additional \$13,000 in the future.

What does Terminal Illness/Terminally Ill mean?

Terminally Ill or Terminal Illness means that an individual has a life expectancy of 12 months or less.

RECEIPT OF ANY BENEFITS IN ACCORDANCE WITH THIS PROVISION WILL REDUCE LIFE INSURANCE BENEFITS PAYABLE UPON DEATH.

What if an individual is no longer Terminally Ill?

If diagnosed as no longer Terminally Ill, coverage may or may not remain in force. Coverage which remains in force will be reduced by any amount of Accelerated Death Benefits received and premium is due for this reduced amount. If coverage does not remain in force, then the reduced amount of coverage may be converted.

What limitations apply to this benefit?

The Accelerated Death Benefit provision will be subject to all applicable terms and conditions of the Policy.

No Accelerated Death Benefit will be paid if You are required by law to accelerate benefits to meet the claims of creditors, or if a government agency requires You to apply for benefits to qualify for a government benefit or entitlement.

What if You made an assignment under this plan?

If You have executed an assignment of rights and interest with respect to Your Amount of Life Insurance, in order to pay benefits to You under this provision, We must receive a release from the individual to whom the assignment was made before any benefits are payable.

**Accidental Death and Dismemberment (AD&D) Benefit
Employee Only****What conditions are necessary for benefits to become payable?**

We will pay a benefit if You suffer an accidental injury while insured and:

1. a Loss results directly from such injury, independent of all other causes; and
2. such Loss occurs within 365 days after the date of the accident causing the injury.

When should We be notified of a claim?

A claimant must give Us, or Our appropriate representative, written notice of a claim within 20 days after the Loss happens or starts. If notice cannot be given within that time, it must be given as soon as possible after that.

Such notice must include:

1. the claimant's name and address; and
2. the Policy or account number.

Are special forms required to file a claim?

Within 15 days of receiving a notice of claim, We or Our appropriate representative will send forms to the claimant for providing proof of Loss. If the forms are not provided within 15 days, the claimant may submit any other written proof which fully describes the nature and extent of claim.

When must proof of Loss be given?

Satisfactory written proof of Loss must be sent to Us or Our appropriate representative, within 90 days after the date of such Loss. However, all claims must be submitted to Us within 90 days of the date any individual's insurance terminates.

If proof is not given by the time it is due, it will not affect the claim if:

1. it was not possible to give proof within the required time; and
2. proof is given as soon as possible, but no later than a year after it is due unless the claimant is not legally competent.

When and to whom will Your claim be paid?

Benefits for Loss of life will be paid in accordance with Your life insurance beneficiary designation. Unless otherwise specified, benefits for all other Losses are payable to You.

Benefits for all other Losses will be paid as soon as due written proof is received. Benefits for all other Losses will be paid not more than 60 days after written proof is received.

Any payments other than for Loss of life which are owing at Your death may be paid to Your estate. If any payment is owed to:

1. Your estate;
2. a person who is a minor; or
3. a person who is not legally competent,

then We may pay up to \$1,000 to Your relative who is entitled to it in Our opinion. Any such payment shall fulfill Our responsibility for the amount paid.

What types of injuries are excluded from coverage?

No benefit will be paid for a Loss caused or contributed to by:

1. sickness;
2. disease;
3. any medical treatment for items (1) or (2);
4. any infection, except a pus-forming infection of an accidental cut or wound;
5. war or any act of war, whether war is declared or not;
6. any injury received while in any armed service of a country which is at war or engaged in armed conflict;
7. any intentionally self-inflicted injury, suicide, or suicide attempt, whether sane or insane;
8. taking drugs, sedatives, narcotics, barbiturates, amphetamines or hallucinogens unless prescribed for or administered by a licensed physician; or
9. the injured person's intoxication.

Intoxication means that blood alcohol content or the results of other means of testing blood alcohol level, meet or exceed the legal presumption of intoxication under the law of the state where the accident took place.

What is the benefit payable?

The benefit payable for any Loss is that which is shown opposite the Loss in the following schedule. The Principal Sum is shown in the Schedule of Insurance. No benefit is payable for any Loss which is not shown in the schedule below.

TERMINATION Employee Coverage

When does Your coverage terminate?

Unless continued in accordance with the Exceptions to Termination section, Your insurance will terminate on the first to occur of:

1. the date the Policy terminates;
2. the last day of the period for which You made any required premium contribution, if You fail to make any further required contribution;
3. the date You are no longer in a class eligible for coverage;
4. the date Your Employer terminates Your employment; or
5. the date You are absent from work as an Active Full-time Employee.

EXCEPTIONS TO TERMINATION

Under what conditions can Your insurance be continued under the continuation provisions?

If You are absent from work as an Active Full-time Employee, Your insurance may be continued up to the maximum period of time stated. In each instance, such continuation shall be at the Employer's option, but must be according to a plan which applies to all employees in the same way. Continued coverage:

1. is subject to any reductions in the Policy;
2. is subject to payment of premium by the Employer; and
3. terminates when the Policy terminates.

If You are on a documented leave of absence, other than Family or Medical Leave, all of Your coverages may be continued until the last day of the month following the month in which the leave of absence commenced.

If You are laid off due to lack of work, all of Your coverages may be continued for 3 consecutive month(s) following the month in which the layoff commenced.

If You are granted a leave of absence according to the Family and Medical Leave Act of 1993, all of Your coverages may be continued for up to 12 weeks, or 26 weeks if You qualify for Family Military Leave, or longer if required by state law, following the date Your insurance would have terminated, subject to the following:

1. the leave authorization must be in writing;
2. the required premium for You must be paid;
3. Your benefit level will be that which was in effect on the day before said leave started, subject to any reductions included in the Policy;
4. the amount of Earnings upon which Your benefit may be based, will be that which was in effect on the day before said leave started; and
5. continued coverage will cease immediately if one of the following events should occur:
 - a) the leave terminates prior to the agreed upon date;
 - b) the Policy terminates;
 - c) You or the Policyholder fail to pay premium when due; or
 - d) the Policy no longer insures Your class.

In all other respects, the terms of Your insurance remain unchanged.

If You are absent from work due to sickness or injury, all of Your coverages may be continued until the last day of a period of 12 month(s) which begins on the date You were first absent from work as an Active Full-time Employee. If You feel that Your condition may continue for an extended period of time, You should request that Your Employer file a waiver of premium claim.

What is Waiver of Premium?

Waiver of premium is a provision which allows for continued employee life insurance, without payment of premium, while You are Disabled. You may not exercise the rights under the Portability provision and qualify for waiver of premium.

To what coverages does the Waiver of Premium apply?

These provisions apply only to Your Life Insurance.

Waiver of Premium does not apply to any AD&D Insurance.

What conditions must be satisfied before You qualify for Waiver of Premium?

1. You must be less than age 60, insured and Disabled; and
2. acceptable proof of Your condition must be furnished to Us within one year of Your last day of work as an Active Full-time Employee.

What does Disabled mean?

Disabled means that You have a condition that prevents You from doing any work for which You are or could become qualified by education, training or experience and it is expected that this condition will last for at least nine consecutive months from Your last day of work as an Active Full-time Employee; or You have been diagnosed with a life expectancy of 12 months or less.

When will We waive premium?

We will waive premium after proof that You are Disabled is provided by an attending physician licensed to practice in the United States and We approve the proof. You will be notified by Us of the date We will begin to waive premium.

Continued coverage will be subject to any age reductions provided by any part of the Policy.

What if You die before You qualify for Waiver of Premium?

If:

1. You should die within one year of Your last day of work as an Active Full-time Employee but prior to qualifying for waiver of premium; and
2. You were Disabled,

We will pay the Amount of Life Insurance which is in force for You.

Can We have You examined for proof that You continue to be Disabled?

During the first two years following the date You qualify as Disabled, We may have You examined at reasonable intervals. Thereafter, We will only require an annual examination to confirm that You continue to be Disabled. If You fail to submit any required proof or refuse to be examined as required by Us, then Your coverage will terminate.

What if You are no longer Disabled?

If, for any reason, You are no longer Disabled, Your premium will no longer be waived. On that date, You may or may not return to work.

If You return to work in an Eligible Class, then all of Your coverages will be reinstated subject to the terms of the Policy in effect on the reinstatement date.

If You do not return to work within an Eligible Class, and You are not eligible for any other group life insurance, then You are entitled to the Conversion Privilege. You may convert the Amount of Life Insurance that is in force for You on the date it is determined that You are no longer Disabled.

How long will premiums be waived?

Your premium will be waived and Your coverage will be continued until You attain Normal Retirement Age.

On the date waiver of premium terminates, if You do not return to work, You will be entitled to convert Your coverage. You may convert no more than Your Amount of Life Insurance that is in force on the date waiver of premium terminates.

What if the Policy terminates before You qualify for waiver of premium?

If the Policy terminates before You qualify for waiver of premium, You may be eligible to convert. Additionally, You may later be approved for waiver of premium.

What if the Policy terminates after You qualify for waiver of premium?

Termination of the Policy will not affect Your coverage under the terms of this provision.

PORTABILITY

When can a person elect Portability?

You may elect portability if:

1. the Policy is still in force;
2. Your basic life insurance terminates because:
 - a. Your employment terminates for any reason prior to Retirement; or
 - b. You are no longer in an Eligible Class; and
3. You do not currently have coverage for the amount of life insurance You intend to continue under a certificate of insurance issued in accordance with a conversion, portability or other similar provision under this Policy.

What does Retirement mean?

Retirement means the date You attain normal retirement age under the 1983 United States Social Security Act, and any amendments thereto.

Will the Waiver of Premium provision be available if You elect to continue coverage under this Portability provision?

No.

Will Conversion be available if a person elects to continue coverage under this Portability provision?

If a person elects to continue all terminated coverage under this portability provision, then the Conversion provision is not available. If a person elects to continue only a portion of terminated coverage under this portability provision, then the Conversion privilege will be available for the remaining amount.

How is Portability elected?

A person must, within 31 days of the date group coverage terminates:

1. make written application to Us; and
2. pay the required premium.

If this is done, We will issue a certificate of insurance under a group portability policy. Such coverage will be:

1. issued without evidence of good health;
2. on one of the forms then being issued by Us for portability purposes; and
3. effective on the day following the date insurance terminates.

The terms and conditions of coverage under the group portability policy will be similar, but may not be identical, to coverage under this plan.

What limitations apply to this benefit?

A person may elect to continue 50%, 75% or 100% of his amount of life insurance being terminated. Such amount will be rounded to the next higher \$1,000, if not already an even multiple thereof. No employees amount of life insurance continued may exceed \$250,000.

If an election is made to continue 50% or 75% now, a person may not continue any portion of the remaining amount. In no event will a person be able to continue an amount of life insurance which is less than \$5,000.

How much does Portability cost?

See Your Employer for the cost.

CONVERSION PRIVILEGE

The following does not apply to any AD&D Benefits.

When can an individual convert?

If insurance, or any portion thereof, terminates, then any individual covered under the Policy may convert his life insurance to a conversion policy without providing Evidence of Good Health.

If the qualifying event is policy termination or termination of coverage for a class then the individual must have been insured for at least 5 years under the Policy in order to be eligible for this conversion privilege.

What is the conversion policy?

The conversion policy will:

1. be on one of the life insurance policy forms, except term insurance, then customarily issued by Us for conversion purposes;
2. contain no disability, supplementary or AD&D benefits; and
3. be effective on the 32nd day after group life insurance terminates.

How much can be converted?

If the qualifying event is policy termination or termination of coverage for a class, then the amount which may be converted is limited to the lesser of:

1. the amount of group coverage in force prior to the qualifying event, reduced by the amount of any other group coverage for which the individual becomes covered within 31 days of termination of group coverage; or
2. \$2,000.

If conversion is due to retirement or any other qualifying event, the full amount of coverage lost may be converted.

How does an individual convert coverage?

To convert life insurance, the individual must, within 31 days of the date group coverage terminates, make written application to Us and pay the premium required for his age and class of risk.

What if death occurs during the conversion election period?

If the individual should die within the 31 day conversion election period, We will, upon receipt of acceptable proof of His death, pay the Amount of Life Insurance He was entitled to convert.

GENERAL PROVISIONS

When can this plan be contested?

Except for non-payment of premium, the Policy cannot be contested after two years from the Policy Effective Date.

No statement relating to insurability will be used to contest the insurance for which the statement was made after the insurance has been in force for two years during the individual's lifetime. In order to be used, the statement must be in writing and signed by the affected individual.

Are there any rights of assignment?

Except for the dismemberment benefits under the AD&D Benefit, You have the right to absolutely assign all of Your rights and interest under the Policy including, but not limited to, the following:

1. the right to make any contributions required to keep the insurance in force;
2. the privilege of converting; and
3. the right to name and change a beneficiary.

However, You may not assign rights to the Employer, and if You are terminally ill, You may not make an absolute assignment if the benefits under the Policy would be used as collateral for a loan.

No absolute assignment of rights and interest shall be binding on Us until and unless:

1. the original of the form documenting the absolute assignment; or
2. a true copy of it,

is received and acknowledged by Us at our home office.

We have no responsibility:

1. for the validity or effect of any assignment; or
2. to provide any assignee with notices which We may be obligated to provide to You.

How do You designate or change Your beneficiary?

You may designate or change a beneficiary by doing so in writing on a form satisfactory to Us and filing the form with the Employer. Only satisfactory forms sent to the Employer prior to Your death will be accepted.

Designations will become effective as of the date You signed and dated the form, even if You have since died. We will not be liable for any amounts paid before receiving notice of a beneficiary change from the Employer.

In no event may a beneficiary be changed by a Power of Attorney.

Can We have a claimant examined or request an autopsy?

We reserve the right to have a claimant examined and to have an autopsy performed, if not forbidden by law. Any such examinations will be as reasonably required by Us and at Our expense.

What notification will You receive if Your claim is denied?

If a claim for benefits is wholly or partly denied, the claimant will be furnished with written notification of the decision. This written decision will:

1. give the specific reason(s) for the denial;
2. make specific reference to the provisions upon which the denial is based; and
3. provide an explanation of the review procedure.

What recourse do You have if Your claim is denied?

On any denied claim, the claimant or His representative may appeal to Us for a full and fair review.

The claimant may:

1. request a review upon written application within 60 days of receipt of claim denial;
2. review pertinent documents; and
3. submit issues and comments in writing.

A request for an appeal will not be denied if not submitted within 60 days if it is not reasonably possible to make such request within 60 days. In this case, the request must be submitted as soon as reasonably possible thereafter.

A decision will be made by Us no more than 60 days after the receipt of the request, except in special circumstances (such as the need to hold a hearing), but in no event more than 120 days after the request for review is received.

When can legal action be taken?

Legal action cannot be taken against Us:

1. sooner than 60 days after proof of loss has been furnished; or
2. 3 or more years after the time proof of loss is required to be furnished according to the terms of the Policy.

How does this plan affect Workers' Compensation coverage?

The Policy does not replace Workers' Compensation or affect any requirement for Workers' Compensation coverage.
