RFQ: NEW OUTDOOR AQUATIC FACILITY #06302016

Please see comments/clarifications below.

RFQ Questions:

Question #1. Section VI. Requirements for Statement of Qualifications,
C. Project Experience. Examples.

Question: Can projects that are currently in design or under construction be included?

Answer: Yes, please provide status and estimated completion date in addition to the requested information.

Question #2. Section VI. Requirements for Statement of Qualifications,
C. Project Experience. Lead Members.

Question: Define "Lead Members". For example, if the Lead Aquatics Design Principal is with an Associate Team Firm, will they qualify as a "Lead Member"?

Answer: "Lead Members" are defined as member(s) of the team that will be leading the project and actually performing work on the project through its duration. Do not list team members who will not be working on the project or are only providing consultation. If the "Lead Member" is designated as the Aquatics Design Principal with an Associate Team Firm, they shall be expected to be present and consistently leading the team, performing work on the project through its duration.

Question #3. Section VI. Requirements for Statement of Qualifications,
C. Project Experience. Examples.

Question: Can projects that are currently in design or under construction be included?

Answer: Yes, please provide status and estimated completion date in addition to the other requirements listed in the RFQ.

Question #4. Section IX. Due Date and Contact Information
