RFQ Questions:

**Question #1. Section VI. Requirements for Statement of Qualifications,
C. Project Experience. Examples.**

**Question: Explain “provide example piece(s) of potential end project” as stated in the
RFQ on page 4?**

**Answer: “Potential end project” for example could be an artist rendering or graphic
image of a future built-out facility for a project that is in the design phase or
not fully constructed.**

**Question #2. Section VI. Requirements for Statement of Qualifications,
C. Project Experience.**

**Question: Say the Architect teams up with an aquatic consulting firm. Can the two firms
provide 3+ aquatic project examples together to satisfy the submittal
requirement?**

**Answer: “Yes, no matter how big the team is 3, submittals will be adequate. Please
ensure that all firms are listed as part of the team to make it very transparent
that a team approach is being offered for those services and which firm is
heading up the proposal.**
