ADDENDUM #1

**Marin Community College
District Measure B**

DATE: July 25, 2016

RFQ: Request for Proposal (RFP) -Underwriting Services Project #16-0714B

Please see comments/clarifications below.

RFQ Questions:

**Question #1. What is the expected par amount of the Series A issuances?
G. Fees.**

Firms interested in serving as underwriter on the upcoming issuance of Bonds are requested to propose a fee as a percentage of par amount. The proposed fee for services shall include all expenses in providing the above scope of services. Please provide a breakdown of the proposed fee and included expenses.

**Question: What is the expected par amount of the Series A issuances?
Answer: The first bond sale will be a par value of 65-70 million.**

Question #2. Whether companies from outside USA can apply for this?

Answer: Yes, however, companies have to be licensed as businesses in the State of California and have all of the appropriate credentials to operate in the Continental United States.

Question #3. Can we perform the tasks (related to RFP) outside USA?

Answer: See answer to question 2 (like, from India or Canada)

Question #4. Can we submit the proposals via email?

Answer: Yes, must be a complete package in a single PDF file sent to buyer@marin.edu.
